

# Student Accessibility Report (Anonymous)

College/University: Montclair State University

Accessibility Needs: I have Cerebral Palsy which is a disability I have had since birth. This effects my learning, my ability to do things on a daily basis and puts me at a disadvantage when it comes to doing certain tasks that my friends/family just do and don't really think about how hard it is for me.

## Ratings:

How would you rate the overall accessibility of campus buildings and facilities? (Skip if N/A): 4

How easy is it to navigate the campus with your specific accessibility needs? (Skip if N/A): 5

How accessible are outdoor spaces, recreational facilities, and common spaces (e.g. communal lounges) (Skip if N/A): 5

How would you rate the support provided by the Disability (or Accessibility) Services Office?: 3

How easy is it to request and receive accommodations?: 5

How accessible are student health and counseling services? (Skip if N/A): 2

How well do campus facilities (e.g. dining areas, recreational spaces) accommodate your needs? (Skip if N/A): 4

## Overall Experience:

Fair

## Recommendation Likelihood:

Very likely

## Accessibility Challenges:

Working with my professors to get the accommodations

## Strengths:

Having different departments to help when and where something is needed.

## Areas for Improvement:

Having more programs where young adults can express their feelings about their disabilities.

## Pre-Enrollment Knowledge:

Just a little more about the Disability Resource Center

## Feedback:

No, keep up the great work! I am happy I can help you guys.
