

Accessibility Report: RIDER UNIVERSITY

Key Accessibility Features and Initiatives: Provision of individual accommodations services, providing student 1:1 consults, technical consultation to faculty, campus tabling events for Open House & Admitted Students Day

Ratings Summary (1–5):

How would you rate the overall accessibility of your campus?: 4

How easy is it to navigate the campus for students with accessibility needs?: 4

How accessible are outdoor spaces, recreational facilities, and common spaces (e.g. communal lounges): 4

How would you rate the support provided by the Disability (or Accessibility) Services Office?: 5

How easy is it for students to request and receive accommodations?: 5

Does the university provide the assistive technology resources students need?: 5

How well does the university engage students with disabilities in the campus community?: 5

How well does the university train faculty and staff on disability awareness and accommodations?: 5

How accessible is the university's transportation system (e.g. shuttles, parking) for students with disabilities?: 5

How effectively does the university implement its accessibility policies and procedures?: 5

How would you rate the university's overall performance in creating an accessible and inclusive campus for students with disabilities?: 5

How likely are you to recommend your university to other students with accessibility needs?: 4

Accessibility Challenges:

Older dorms requiring complete renovations to enable accessibility, faculty who are unfamiliar with provisioning accommodations to students

Strengths:

Personalized consultations and 1:1 meetings with families, caregivers upon request; distribution of accessibility materials and training

Areas for Improvement:

Improving functionality of residence halls
